Short Story

Basketball is my favorite sport. I like to play it at school with my friends. My teacher plays with us sometimes. It is so much fun! My teacher is very tall. He can throw the ball into the hoop from very far. He taught us how to play. My father got a basketball for me. Now I can practice at home. We don't have a basketball hoop so I just bounce the ball and throw it at the wall. Maybe I can get a hoop for my birthday. That would help me a lot.

Guessing Game

INSTRUCTOR NOTE: The purpose of this exercise is to encourage students to talk to each other in English. One student should leave the classroom while the second student thinks of a sport. This is the secret. When the first student returns to the classroom he or she should ask multiple questions in English and try to guess the name of the sport. The second student starts the game by saying "I've got a secret." The first student should say "What is your secret?" The second student should then say "I've got a secret sport." The first student should then ask questions and try to guess the secret. If they don't guess the correct answer in 10 tries they should say "I give up."
