Short Story

Last week my family went to a park in Nam Yuen. There was a big waterfall and many people were playing in the water. The water was very cold. There were many butterflies on the sand. I have never seen so many butterflies before. One of them sat on my arm. I was not afraid. My brother tried to catch one but he could not.

- Where did you go last week?
- Was the water cold?
- Where there a lot of butterflies?
- Were you afraid?
- What did your brother do?
