Short Story

Last week we went to the zoo in Ubon. We saw many animals there. They had lions and tigers. We got to play with two baby lions. They were very strong. The man at the zoo gave them some milk from a baby bottle. We also saw a zebra and a hippo. The hippo was swimming in the water. There were some big green birds and one white one. We saw a very big snake but I didn't want to get close to it. I don't like snakes!

Guessing Game

INSTRUCTOR NOTE: The purpose of this exercise is to encourage students to talk to each other in English. One student should leave the classroom while the other student(s) think of an animal. This is the secret. When the first student returns to the classroom he or she should ask multiple questions in English and try to guess the name of the animal.
