Short Story

Last month my family flew to Bangkok. My father bought tickets for Thai Smile. We got up really early and drove to the airport in Ubon. Our flight left at 7:00 AM. It was really fun when the airplane went faster and faster on the ground and then started to fly. I could see the airport below us. I also saw the Mun river. The woman on the plane was very nice. She gave us some snacks and juice. When we got to Bangkok we got our bags from the airplane. Then we took a taxi to a hotel.

Guessing Game

The purpose of this exercise is to encourage students to talk to each other in English. One student should leave the classroom while the second student thinks of a city or country they want to fly to. This is the secret. When the first student returns to the classroom he or she should ask multiple questions in English and try to guess the name of the city or country. The second student starts the game by saying "I've got a secret." The first student should say "What is your secret?" The second student should then say "I've got a secret city or country." The first student should then ask questions and try to guess the secret. If they don't guess the correct answer in 10 tries they should say "I give up."
