**ACROSS**

- 6 This word means flights to another country.
- 8 You must report what's inside your bags to this agency before you enter a country. They also want to know if you have expensive things or any plants or animals.
- 9 You must buy this if you want to fly on a plane.
- 10 Everyone who gets on a plane must go through metal detectors in this area. They will also X-ray your bags and may ask you to remove your computer.
- 11 This area of an airport is where planes come in. It's on the first floor.

**DOWN**

- 1 This is another word for the bags you take with you.
- 2 This is the first thing you must do when you get to the first airport on your trip.
- 3 You must show your passport and visa to this agency when you enter a country.
- 4 This area of an airport is where planes are leaving. It's on the second floor.
- 5 This document is your international identification.
- 7 This word means flights inside one country.
- 12 You must get this document if you want to enter most other countries.
