

CA.102 Final Exam

NOTE TO INSTRUCTOR:

This exam should be given to students after they have completed all lessons in this course. The exam must be conducted using a smart phone with a speech recognition app such as Line Dict (iPhone or Android) to confirm correct pronunciation of some representative words covered in this course. It is recommended to test each student individually in a quiet room. Other students should be told to wait in a separate room while the Instructor asks the student to repeat the words shown below. Students should be given up to 3 tries to pronounce the word correctly. If they are successful on the first try they get three points. If they succeed on the second try they get two points. If they succeed on the third try they get 1 point. If they don't succeed after three tries they get zero points for that word. The maximum score is 120 points. The minimum passing score is 80.
