

Lesson 1

Monosyllabic words such as *Age* and *And* are challenging because the speech recognition software has difficulty recognizing them. *Able, Air, and Ate* were removed because they were difficult. Other words not included here are *Across, Address, Admit, Advance, Adventure, Advice, Adult, Africa, Ago, Agree, Alarm, Alcohol, Alive, Alligator, Almost, Alone, Alphabet, Already, Also, Always, Amazing, America, Angry, Ankle, Another, Anywhere, Apartment, April, Aquarium, Area, Arithmetic, As, Astronomy, Australia, August, Aunt.*

Vocabulary
