Two Tongue Twisters

- I have never seen a cave in Vietnam.
- I do five things every day.

NOTES:

V is probably the hardest consonant for Thai speakers to pronounce because there is no equivalent sound in the Thai language. Thai speakers will often say W or B instead of V. The teacher should demonstrate how to curl the lower lip under the upper teeth in order to pronounce V correctly. Other V words: Value, Vampire, Venus, Vietnam, Visa, Vote. Removed Vet. Added Venus

Gave, Live,
