12	Zoo			

Two Tongue Twisters

- I saw you in your yard yesterday.
- There are zero zebras at the zoo.

NOTES:

Other U words: Uranus, Underwater, Useful

Words with Z sound similar to words with S, but the mouth is spread more open with the teeth together. There are not many words in the English language that start with Z so we don't have many words to pronounce. Note that Thai children may have been taught to pronounce Z as "zed" but we will use the California pronunciation "zee".
