

## Lesson 5: E

**Instructor Notes:** Words that start with the letter E are surprisingly difficult for Thai speakers. “Eight”, “End”, and “Exit” will be challenging. Words start with EX will also be difficult. “Eat”, “Early”, “Easy, and “Elephant” are easier.

### Vocabulary

### คำศัพท์

- |              |             |
|--------------|-------------|
