

NOUNS3:

Nouns Level 3

Course Description

OVERVIEW

Nouns Level 3 is a relatively easy course that covers 336 nouns organized into 28 lessons (“Animals” to “Workers”). Each lesson covers 12 words in a clean, attractive format with lots of pictures and exercises for translation, spelling, and reading. This course is targeted for students in P3 but can be taught to students of all ages, including adults.

GAMES

All lessons in **Nouns Level 3** are supported by online word games called “Noun Town Level 3”. These games reinforce vocabulary covered in the printed lessons. Games on the California Accent for Kids website can be played on cell phones, so students can learn at home or while riding in the car. Go to kids.california-accent.com.

PREREQUISITES

Nouns Level 3 is designed for success. The prerequisites are fairly lax, so this is a good course for students who are struggling with English. Recommended prerequisites include the following:

- Complete Nouns Level 2.
- Working vocabulary of approximately 50 words
- Ask and answer simple questions in English

OBJECTIVES

- Review and reinforce nouns covered in Nouns Level 2.
- Teach students how to read, write, pronounce, and translate 336 common nouns. This includes 224 nouns that were covered in Nouns Level 2 plus 112 new nouns.
- Teach students how to read simple sentences using nouns covered in each lesson.
- Prepare students for Nouns Level 4.
