

NOUNS Level 5

INSTRUCTOR NOTES

SCHEDULE

Teach each lesson at least 4 times - one hour per day, 4 or 5 days per week. There are 28 lessons, so teaching the entire course will take 28 weeks, not including holidays or breaks. Lessons can be taught in any order. Lessons can be repeated.

1. SAY

5–10 minutes

This is the most important activity in each lesson. Pronounce each word in English and Thai. Ask the class to repeat the English word 3 times. Repeat this activity every day for one week.

2 and 3 WRITE

10–15 minutes

Students should translate words from English to Thai and from Thai to English. It's OK for students to refer back to the first page to see the correct answers, but by the end of the week they should be able to complete this activity without looking. Check their work with a red ink pen when they finish.

4. SPELL

5–10 minutes

Ask students to circle the correct spelling. Check their work with a red ink pen as they finish. Make copies of this page to use later in the week.

5. LABEL

5–10 minutes

This activity is easy and fun. It can be done as a group activity. Check their work with a red ink pen as they finish.

6. READ

5–10 minutes

Read each sentence and ask the class to repeat after you 3 times. Ask individual students to read one sentence.

7. PLAY

10–15 minutes

Scan the QR code with your phone then start one of the NOUN TOWN games. Show students how to do this. You can connect your phone to a TV with a HDMI cable and an adapter. Tell students to play the games when they have access to a cell phone.
